## President's Message

I wanted to take the time to thank everyone that helped support NETLA this year with donations, helped with events, participated in events, sponsorships in shows and the sale and becoming members. We had a number of new members this year which we want to welcome and would love to see as many as possible at the banquet this year. We had a very busy year and want to end strong. You will notice this year that the banquet is free for members and their family, which is a thank you for all the support throughout the year. We had a great sale, strong show along with strong participation in shows throughout the year. We had a number of our youth members that went to the championship show with the help of your support as well. Enclosed you will find some of the show results, 2023 ballots, banquet rsvp information along with a new membership form for 2023. Lets see everyone at our banquet and membership meeting.

THANK YOU ! Your President ,  
Nelson Hearn

I, Adriana Norris the Netla youth president, want to thank everyone who donated to the youth at the Netla sale and support the youth throughout the year. Thank you to Rob Fenza and Ricky McLeod for bidding on the donation lots at the Netla Sale. P & C for the donation of the hay feeder that was sold at the sale. I would also like to thank everyone who donated food and baked goods for all the sales that the youth participate in throughout the year, along with John F. Martin hotdogs, Dieffenbach potato chips, Swiss drinks, and a big thank you to the Martin Family for donating Martin's potato rolls. That helps the youth to make it to our Championship Show at the end of the year. A big thank you to all the youth members who help in our food stands at all the sales we participate in throughout the year.

This year two of the youth members put together a youth clinic for all the new and active youth. There was great food, many activities and learning experiences for everyone who participated. I want to thank all the family's who brought their kids to participate in a great day and I hope to see everyone on the show ring. And a big thank you to Jade Wiggins and Gracie Flanary for putting this together and for Gracie to allow us to hold this event at her farm.
