President's Message

I hope this newsletter finds all of you healthy and happy. I know as we wind down the summer, it has been filled with a lot of ups and downs. Some of you in our area have been blessed with too much rain, where others have not received much at all. In our longhorn organization, we have been very busy with the sale, shows and fundraisers. We do want to thank all of you who have donated money to our youth for them to go to the ITLA National Show in TX. We are helping 7 of the youth pay for their trip, which says a lot about our organization. This money was raised by fundraisers and donations, which are tremendously appreciated. We end the year with our banquet, which will be held on November 16th at the Elk Lodge and would love to see all of you there! This year we plan on having great food, award recognitions, elections, our annual board meeting and fun socializing. Additionally, there will be a silent and live auction. Any and all donations for these are appreciated. Last year, we had some special donations that included Pappy's Peach and a number of apple pie etc! I am hoping this year to include some of these as well. I hope to see you at the banquet.

This newsletter contains some of our show results information, election information, banquet information, and the herdsman and spirit award nomination information. Please take the time to come to the banquet, nominate someone for the spirit and herdsman awards. Let's end the year with a big bang.

See you there.

Jodi King, President
